MEDICUS
Medical Billing & Consulting

Medicus Billing and Consulting, Inc.

Medicus Billing and Consulting is a premier provider of full-service medical billing, consulting services. Medicus was founded by Cyndi Bryant Walker, a Certified Medical Coder, and Certified Healthcare Business Consultant. We have partnered with physicians for twenty seven years assisting them in medical billing and practice management. We handle all operations from the time your charges are submitted, through the phase where your receipts are actually deposited into your account. Billing information is collected from your office at the end of the business day. We will accept your charges directly from your EMR or uploaded directly to our secure file cabinet on PDF. The providers office can concentrate on patient care.
