CARR

CARR is the nation's leading provider of commercial real estate services for healthcare tenants and buyers. Every year, thousands of healthcare practices trust us to achieve the most favorable terms on their lease and purchase negotiations. Our team of experts assist with start-ups, lease renewals, expansions, relocations, additional offices, purchases, and practice transitions. We save our clients a substantial amount of time and money, and ensure their interests are always first.

Easy Pay Solutions

Easy Pay Solutions solves the problem of collecting patient receivables. With the ability to accept patient payments online and in-office, send payment reminder links via text, and break up larger payments into more manageable increments, practices eliminate past due receivables and the high costs associated with billing and collections, all while improving workflow and gaining valuable business insight.

Medicus Billing and Consulting, Inc.

Medicus Billing and Consulting is a premier provider of full-service medical billing, consulting services. Medicus was founded by Cyndi Bryant Walker, a Certified Medical Coder, and Certified Healthcare Business Consultant. We have partnered with physicians for twenty seven years assisting them in medical billing and practice management. We handle all operations from the time your charges are submitted, through the phase where your receipts are actually deposited into your account. Billing information is collected from your office at the end of the business day. We will accept your charges directly from your EMR or uploaded directly to our secure file cabinet on PDF. The providers office can concentrate on patient care.

Provide

Since 2016, Provide has made it our mission to empower our community's healthcare providers to achieve their dreams of practice ownership with great people and innovative technology. Headquartered in San Francisco, California, with an office in Columbus, Ohio, and experts nationwide, Provide offers an integrated suite of financial products that makes opening, running, and expanding a healthcare practice easier, giving providers back their time and energy to focus on what matters most: their patients. In August 2021, Provide became a wholly owned subsidiary of Fifth Third Bank, operating as an independent business line.
