

# Become a Certified HEALTHCARE BUSINESS CONSULTANT!

The CHBC Certification is a great way to show your clients and potential clients that you are a seasoned business healthcare consultant who has demonstrated an understanding of the total healthcare business environment, both practice and financial management.

## THERE ARE THREE PROFESSIONAL DESIGNATIONS AVAILABLE THROUGH NSCHBC:

● Certified Healthcare Business Consultant – **CHBC**

### SPECIALTY CERTIFICATIONS

● Practice Accounting and Finance Specialist – **PAFS**

● Practice Management & Operations Specialist – **PMOS**

The credential helps you stand out from other healthcare business consultants while giving you a top notch learning experience taught by the Society's most influential members.

## COURSE & EXAM OVERVIEW

### Online Review Course and Certification Exam

#### ✓ BENEFITS:

The Online Review Course uses recordings from the live sessions. The pros are you watch it at your own pace, over 90 days, and you can rewatch the videos as many times as you want. The Exam is taken online.

### Live Review Course and Certification Exam

#### ✓ BENEFITS:

The benefits we've heard from students of the Live Review Course is you can ask instructors real time questions, potential student-led study groups in the evening, and do it all at one time. (Specialty Certificates Courses will view the same lessons as CHBC but will only see the lessons pertaining to their specialty).

If you prefer a classroom experience, the Live Review Course and Certification Exam will be offered in conjunction with the Annual Conference June 4-6 in Savannah, Georgia.

**Please note:** You must be a member of the NSCHBC to enroll in the Review Course or the Exam.

The CHBC Course covers all areas of the healthcare business environment.

### There are 13 major areas the exam focuses on which are:

- Consultant Professional Standards <sup>1 & 2</sup>
- Organizational Governance <sup>1</sup>
- Business Management <sup>2</sup>
- Financial Management <sup>1</sup>
- Human Resources Management <sup>2</sup>
- Revenue Cycle Management <sup>1 & 2</sup>
